42nd ANNUAL YMCA TURKEY TROT SPONSORSHIP OPPORTUNITIES November 22, 2018

Race Information

Held prior to the Sun Bowl Parade on the parade route, the YMCA of El Paso Turkey Trot is the largest Thanksgiving Day event of its kind in the region. In 2017, the Trot had over 1,550 participants participating in our event. This is about a 25% increase over the last four years. Starting from humble beginnings 42 years ago, it has grown into the undisputed "Way to Begin Thanksgiving Day" for hundreds of local families as well as those who travel to El Paso to share in our great event.

The Trot tradition has now extended through generations of participants who celebrate the holiday with grandparents, relatives, friends and their youngest who we look to see with their own families in the years ahead. Every year we hear of families who have declared the Turkey Trot as their new Thanksgiving tradition.

In 2014 we introduced the **Team Challenge** where teams of four runners each compete with other teams for 1st, 2nd, or 3rd prize. The combined times of the four runners make up the team time. The 2017 Team Challenge saw the addition of six categories (Men's Open, Women's Open, Coed, Corporate, High School Coed and Military) with 52 teams participating.

The YMCA of El Paso Turkey Trot also has opportunities for groups to volunteer as we rely on 60-80 volunteers to make this event happen. In the past we have had groups from the YMCA, UTEP, Chapin High School and the El Paso Rhinos and UTEP hockey teams.

Race Demographics

Participants in the YMCA of El Paso's Turkey Trot come from over 20 states throughout the country as well as from Mexico and Canada. Participants range in age from 6 years old to over 80 years of age.

YMCA of El Paso

The YMCA of El Paso has been making an impact on the lives of kids & families for 132 years. More than 15,000 children participate in Y programs each year through swim classes, sports, family events, after school child care, summer camps & more.

Proceeds from the Turkey Trot event benefit families and children who are unable to afford to pay full prices for YMCA membership and programs. The YMCA of El Paso doesn't turn anyone away because of their inability to pay for YMCA programs. In 2017 the YMCA of El Paso gave over \$248,000 in assistance to families and children throughout El Paso County.
