LEADER IN TRAINING (LIT) PROGRAM REQUIREMENTS

Teens in 6th through entering 9th grades are eligible to apply for the LIT program, a summer program that includes leadership training, CPR, First Aid and team building exercises. Teens are accepted based on their desire and ability to interact with younger children at the YMCA Day Camps.

Only a limited amount of applicants each year are selected for the LIT program. Applicants will be approved after their application is received and a personal interview is conducted. Program materials and registration forms are sent upon acceptance. Please do not send money with your application.

Much thought and effort has gone into the Leadership Development Program; it is not for everyone. It is designed for students who have an interest in working with younger children and have a desire to be in leadership roles. The LIT program is a great opportunity to learn new skills and help teens prepare for future employment and other responsibilities.

LIT MINIMUM QUALIFICATIONS:

- Applicant in 6th through entering 10th grade.
- Applicant must complete and return the LIT application no later than Friday, May 21st.
- Applicant must provide two references from two adults (adults may not be a relative of the applicant).
- Applicant is required to attend a scheduled interview given by the Childcare Director.

LIT RESPONSIBILITIES

- Participant attends all program dates and completes all requirements to the best of his/her abilities.
- Leads activities with peers and younger children.
- Actively and positively participates in all activities and lessons with the group.
- Shows responsibility, maturity and communicates with the group and director during the program.
- Must enjoy working with children, have a positive attitude and be willing to learn.
- Must be a positive ambassador of the YMCA at ALL times.
- Must complete a minimum of three weeks at a YMCA Day Camp site.
- Signs and follows the Jr. Leader Code of Conduct.
- Records work hours daily on a timesheet and turns in the fully legible timesheet to the Camp Director on a weekly basis.
- Wears assigned YMCA I.D. name tag while volunteering.
- Maintains a positive and enthusiastic attitude.
- Challenges him/herself to try new activities, songs, games and public speaking.
- Models the five core values of the YMCA: Caring, Honesty, Respect, Responsibility and Faith.

It is very important to understand that LIT applicants need to be mature and responsible enough to take on the application process, the two-week course, as well as the following weeks at the YMCA Day Camp. We understand it is a large commitment and urge applicants to seriously consider if they are ready. It is not the parents' role to take these responsibilities on for LIT candidates. Parents provide essential support to the teens but we do expect applicants to take on this primary role as part of their leadership development.
